# Monali Rakhasiya

iOS Apps Developer | Objective C | Swift  
Gujarat

## Summary

Working professional having more than 6.7 years of experience in iOS mobile application development. I got a chance to work on different domain like Insurance, Banking, Mobile Recharge Payments, Car Parking etc. I have been extensively working with objective c and then swift to design highly scalable ios apps, having experience deploying and maintain it on app store. Payment gateway integrations, Google Maps Integrations, AR and VR are some of the areas of interest of mine.
